## **Preschool Program and Elementary Day Camp**

In keeping with Bixby School's founding philosophy, we offer a summer program that provides continuity of care in a relaxed setting for preschool-6th graders utilizing all of our 3+ acres. Your childcare options include Preschool Sessions, Preschool Full-Days, or Elementary Day Camp. In addition, Special Classes taught by both outside organizations and Bixby teachers are available.

Enrollment schedules are flexible--paid monthly, and based on either a monthly or a daily rate, so you can sign up for as little or as much as you need. For elementary students, a unifying study permeates the Day Camp program.

This year, we are excited to offer . . . **EGYPT!**

Take a trip away from the mountains and plains of Colorado this summer, and embark on an adventure that will take you to the scorching hot sands of the Sahara Desert!

Bixby will feature an exploration of the Great Pyramids, the Nile, pharaohs, and the mysteries that surround ancient Egypt during our 2009 summer program.

Join us as we unlock the secrets and discover the facts and myths that surround one of the world's oldest cultures.

Bixby's Summer Program is in operation from June 1st through August 28th.

Hours – The school is open from 7:15 a.m.-5:45 p.m. Monday-Friday
