

Renaissance Adventures

ADVENTURE QUEST

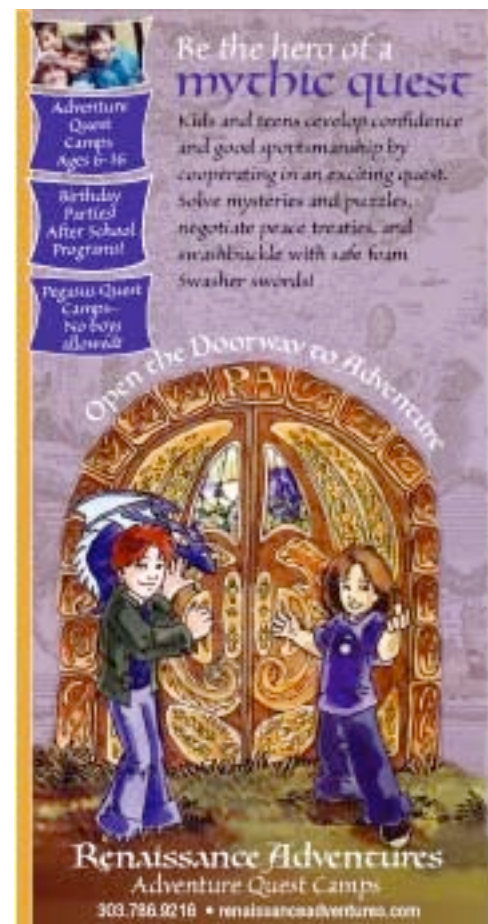

Since 1995, Renaissance Adventures has offered camps and birthday parties in *Adventure Quest*, an active, outdoor, Renaissance-themed theater game, designed to develop self-esteem, team-building, and creative problem-solving skills. The children and teens are the heroes of an incredibly fun and dynamic quest, working together in a mythical and magical world to overcome interesting challenges, solve mystifying riddles, brainstorm unique solutions to puzzling dilemmas, and swashbuckle with foes. The youth experience the excitement and confidence that comes from banding together to defend their village, solve a perplexing mystery, or negotiate a peace treaty. *Adventure Quest* makes creative use of safe foam Swasher™ swords in an environment that teaches good sportsmanship, fair-play, and respect for others.

LEARNING WITH RENAISSANCE ADVENTURES

The staff of Renaissance Adventures comes from diverse backgrounds. We are actors, storytellers, writers, students of history, blacksmiths, martial artists, dancers, and (we like to think) masters of creativity. In the past, we have hosted *Art and Adventure Quest*, Challenge Course quests, Science-fiction quests that teach technology, and many others. For instance, classes that learn about Arthurian Legends can participate in our knowledge-based quest where the kids dress in period clothing, eat an authentic medieval feast, and embark upon a quest that is solved by those who remember their lessons. Other groups that study Native American History have enjoyed our storyteller's Native American tale of Coyote and the creation of thunder and lightning. *Time Journey* is another unique program where the students are time travelers attempting to set the past right, and learn about history while doing so! There are many other programs we offer, so please contact us for more information.

STORYTELLING

Let the imagination be the guide as your class travels to far away lands. The Renaissance Adventures storytellers bring magical, mythical characters from exciting places into the hearts of the participants. During the story, volunteers either don costumes and assist the storyteller by acting out characters from the story or interact with the storyteller by offering suggestions and ideas to solve dilemmas. A great activity for children ages 5 and up. Storytelling can be a good solution for a group of highly diverse ages, and is definitely enjoyed by adults.
