

TRANSFER ARTICULATION AGREEMENT

between **Community College of Denver: Associate of Applied Science (Graphic Design Emphasis)** and
University of Colorado Denver: Bachelor of Fine Arts (Digital Design Emphasis)
hereafter referred to as **Partner Institutions**
The program outlined in this Agreement is a Denver Direct Pathway (DDP)

Introduction to Specify Programs and Institutions

This Agreement guarantees the transfer of students within Associate of Applied Science (Graphic Design Transfer Agreement), Community College of Denver and Bachelor of Fine Arts (Digital Design Transfer Agreement), University of Colorado Denver. Sending Institution students who have declared the Associate of Applied Science (Graphic Design Transfer Agreement) in the Denver Direct Pathways (DDP) and are ready or preparing to graduate are covered by this Agreement.

Statement of Intent

The intent of this Agreement is to facilitate the successful transfer of a student from a Sending Institution upon earning a credential to a Receiving Institution to earn a baccalaureate degree within a 2+2 timeframe. The Sending Institution will identify students who are part of this Agreement in their student information system.

Statement of the Basic Agreement

Receiving Institution agrees to accept credits for students who have completed a(n) Associate of Applied Science (Graphic Design Transfer Agreement) degree as outlined in attached DDP Program Map. These documents are hereby incorporated and made a part of this Agreement. This Agreement does not apply to students transferring with a different degree or choosing a different major or program at the Receiving Institution. Completing the program in 4 years per this agreement is dependent on the student following the prescribed degree map. Any variance may result in additional time to degree at the Receiving Institution.

Changes in Curriculum or Program Requirements

- a. This Agreement constitutes the entire Agreement between the parties. This Agreement shall be reviewed every five years by the parties unless significant curriculum and/or program changes mandate an earlier review—in which case, the institution will notify the other party to this Agreement in writing that changes impacting (or potentially impacting) this Agreement have occurred. If deemed appropriate, a new agreement will be generated and signed. Significant curriculum changes must be communicated in writing no later than March 30 of any academic year by the Registrar.
- b. Each Partner Institution assumes responsibility for informing their students of curricular revisions that would impact student planning and/or degree completion. In the event graduation requirements for the bachelor's degree at Receiving Institution change within this time, students who have declared this program at the Sending Institution will have their academic plan honored for 4 years beyond the date of the change.

Admission and Matriculation

- a. Students who have completed the Associate of Applied Science (Graphic Design Transfer Agreement) from the Community College of Denver with at least a 2.0 GPA (C average), and have submitted a complete application for admission to the University of Colorado Denver, will be automatically accepted in the same pathway at DDP Receiving Institution. Students who are automatically accepted to Receiving Institution through DDP will have the application fee waived.
- b. This Agreement reflects the academic graduation requirements for this DDP. Students may be responsible for completing non-course work requirements in effect at the Partner Institution at the time of their matriculation.

This Agreement is a Denver Direct Pathway

Guarantees

- a. Courses contained within the attached Plan of Study Map will fulfill the relevant course requirements in the designated major and general education courses. Any additional courses taken in the discipline not covered by this Agreement may not count toward the requirements of the major at the Receiving Institution.
- b. Only courses with grades of C or higher are guaranteed to transfer. All transfer general education courses must be Colorado Department of Higher Education Guaranteed Transfer (gt) Pathways approved. Should curricular changes to this Agreement occur, students identified as part of this Agreement will not be penalized nor incur credit loss.
- c. To transfer under this Agreement to Receiving Institution, students must have graduated from the Sending Institution.
- d. The Receiving Institution shall accept all applicable credits earned within ten (10) years of transfer to the Receiving Institution. Credits earned more than ten years earlier will be evaluated on a course-by-course basis.

General Provisions

- a. In carrying out the responsibilities and obligations of this Agreement, no party shall be acting as the agent or principal of another institution with regard to dealings with third parties, including students.
- b. This Agreement will be promoted as a Denver Direct Pathway. Denver Direct Pathways is a cross-institutional pathways design process to increase successful transfer and credential completion.

Signatures

The parties hereto have executed this Agreement on the day and year of the last date accompanying the signatures.
