Bachelor of Science (B.S.) – Catalog Year 2026-2027

FOR TRANSFER STUDENTS

PROGRAM OVERVIEW

The singer-songwriter program in the department of Music and Entertainment Industry Studies (MEIS) has been one of the fastest growing programs, not only in the College of Arts and Media, but the University of Colorado Denver. Originally formed out of the music performance program, this area has prepared students for careers as independent songwriters as well as composers for TV and film. Today, with the maturity of this robust program, faculty have begun to see applications and requests from potential students for a new program that requires a balance between the songwriting courses and music business knowledge. For these students, the prospect of a career as an independent musician requires a type of training that takes into account these two areas.

CU DENVER ACADEMIC ADVISING

Freshmen with fewer than 30 credits and/or CAM students who are Undeclared are assigned to the Center for Undergraduate Exploration and Advising (CUE&A). All other College of Arts & Media (CAM) students with more than 30 credits who have declared CAM majors are assigned to the CAM Office of Advising and Student Services.

Students can connect with the internal CAM admissions team to learn more about the program, additional admission requirements, spaces, equipment and technology.

Students with a declared CAM major that have more than 30 credits are encouraged to meet with a CAM advisor every semester prior to registration.

Freshmen with fewer than 30 credits and/or CAM students that are Undeclared students are assigned to the Center for Undergraduate Exploration and Advising. These students are required to meet with an advisor every semester prior to registration.
