

HOW TO TRANSFER

TO

Denver

WHY I TRANSFERRED TO CU DENVER

“

I had support from day one. It was like my home.

”

—Dania Morelli,
Bachelor of Science in Architecture '23;
Master of Architecture '26

“

The diverse community in my studio offered a wide range of ages and different perspectives that you may not get at a different school.

”

—Hunter Carey,
Bachelor of Science in Architecture '25

“

The professors made an environment where I felt comfortable getting to know my peers. They fostered that community. They care a lot.

”

—Ella Addison-Taylor,
Bachelor of Science in Applied Math '26

TAKE A TOUR

ucdenver.edu/visit

Nearly 45% of our undergraduates are transfer students. Discover why by joining a virtual or in-person campus tour.

Whether you're finishing your associate degree or returning to school for a bachelor's, CU Denver welcomes you. Here's how to join the Lynx community:

1

REACH OUT

Attend a transfer information session or contact your transfer admissions counselor to learn about the application process, financial aid, and how CU Denver can help you achieve your goals.

- ▶ CU Denver offers more than 60 undergraduate degrees across seven schools and colleges.
- ▶ We provide flexible class options: online, hybrid, and in-person.

2

TRANSFER YOUR CREDITS

We'll help you determine which of your previous credits can apply to your CU Denver degree.

- ▶ Check transferology.com/school/ucdenver to see which credits might transfer.
- ▶ A grade of C- or better is typically required.
- ▶ There's no limit on the number of transfer credits, though not all may apply to your degree.
- ▶ Questions about transfer credits? Email transfer@ucdenver.edu.

3

APPLY!

Complete the online application with a \$50 fee.

- ▶ You'll need to submit your official college transcripts and, if you have 23 or fewer credits, your high school transcript.
- ▶ If you have 24 or more college credits, CU Denver bases admission on your college GPA, generally requiring a minimum of 2.0.

4

START YOUR JOURNEY

After applying, fill out the Free Application for Federal Student Aid (FAFSA) and explore CU Denver scholarships. CU Denver's FAFSA code is **004508**.

- ▶ We offer academic advising, club sports, study abroad programs, tutoring, and more.
- ▶ Benefit from internships, apprenticeships, and networking opportunities to connect your passions to a career.
