What are the Spring FYE Course Types?

UNIV 1110: College Success

Our general College Success course is a TUITION-FREE one-credit hour course that helps students build up their college success skills, from time management, study skills, critical thinking, and more!

UNIV 1112: Career and Major Exploration

This TUITION-FREE one-credit hour course is all about exploring your major or other majors at CU Denver and discovering career pathways you can enter into. This course focuses on goals, leadership skills, and more!
